MEP Engineer: Newcomb & Boyd

Schedule

SOQ / Pre-Qualification Submission Due: November 21, 2025

Bid Due: December 12, 2025

Notice to Proceed Target: February 2026

Substantial Completion Target: March 2027

Project Scope Summary

400,000 SF concrete tilt-up Class A distribution facility on a 28-acre pad south of Hartsfield-Jackson, with 60 dock-high loading positions, 4 drive-in doors, 32-foot clear height, 195 trailer storage stalls, 250 auto stalls, ESFR sprinkler system, 7,500 SF office build-out, and a fully fenced/secured truck court. EPDM roof, white-box warehouse interior, LED high-bay lighting throughout.

Mandatory Qualifications

- Minimum 4 completed tilt-up warehouse/distribution projects $\geq$ 250,000 SF in the last 6 years
- Self-perform tilt-up panel forming and erection OR qualified tilt subcontractor with comparable experience
- Single-project bonding capacity $\geq$ \$15M; surety with A.M. Best A- or better
- EMR $\leq$ 1.00 averaged across last 3 years
- Demonstrated experience with ESFR sprinkler systems and high-pile storage AHJ approvals
- Project office within 60 miles of the site or willingness to maintain a full-time field office

Selection Criteria

- Tilt-up distribution experience and references (30%)

- Schedule approach and on-time completion record (20%)
- Self-perform capability for shell trades (15%)
- Local market presence and subcontractor base (15%)
- Safety record (10%)
- Financial capacity and bonding (10%)

Submission Requirements

- Cover letter signed by an officer with binding authority
- Company profile (history, markets, capabilities, geographic presence)
- Financial summary including current bonding capacity letter from surety
- 5-year safety record (EMR, TRIR, OSHA recordables)
- Organizational chart for proposed project team with allocation %
- Resumes for principal-in-charge, project manager, superintendent, QC manager, safety manager
- Past project profiles - minimum 5 relevant projects with owner references
- Lump-sum bid tab broken out by trade package (CSI division)
