Dear Selection Committee,

Buckhead Tenant Improvement Co. is excited to submit our company for consideration on the Hartsfield Distribution Hub project. While our background is in office tenant improvements and small retail fit-outs, we are a hungry, hands-on team that is eager to expand into larger-scale commercial work. Our pricing is highly competitive and our local presence is unmatched.

We are confident that our energy and competitive bid will allow us to bring this project in for less than the larger firms competing.

Sincerely,

Cameron Brooks, Owner / Managing Partner
