Letter

Dear Selection Committee,

Peachtree Industrial Constructors is pleased to submit our qualifications for the Hartsfield Distribution Hub in Atlanta, GA. Our firm has built our reputation on concrete tilt-up distribution and logistics facilities, and we are uniquely positioned for this work given our track record of relevant projects, deep specialty subcontractor base, and a project team that has personally delivered comparable scope multiple times.

We have reviewed the RFP requirements and confirm that we meet every mandatory qualification, including bonding, safety performance, and demonstrated experience. We look forward to the opportunity to interview with the selection committee.

Sincerely,
Ben Holcomb, President
