Letter

Dear Selection Committee,

Southern Commercial Builders is pleased to submit our qualifications for the Hartsfield Distribution Hub. While our primary specialty is mid-market retail and lifestyle centers, we have meaningful experience adjacent to this scope and have invested in growing our capabilities in this market.

Our team brings strong local knowledge, an established subcontractor base in Atlanta, and a competitive bid backed by long-standing trade relationships. We respectfully ask the committee to consider our proposal alongside the specialty firms competing for this work.

Sincerely,

Garrett Holloway, President
